BALDWIN RESIDENTS AGAINST NARCOTICS FORM

- Residents can anonymously report drug activity in their neighborhood by completing this form.
- Please fill in as much information and give as much detail as possible.
- If you do not know the names, try to describe the people and the cars and where and when they can be found.
- Look for patterns of behavior in your neighborhood that make you suspicious. One strange car may be simply an out of town visitor; many brief stops at a house by dozens of strange cars may be a sign of drug dealing.
- Look for: unusual late-night traffic or activity; exchanges of money and packages from curbside to car window; car-horn signals and sharing of a substance among groups – such as passing a marijuana cigarette.
- If you want immediate police response, call 9-1-1.
