Dear Baldwin Borough Resident:

Baldwin Borough provides a comprehensive solid waste program designed to encourage recycling and waste reduction, reduce litter in our neighborhoods and ensure that waste is disposed of in an environmentally responsible manner. This guide includes various services that are available to residents. Waste Management pledges to provide the high-quality service residents expect and deserve.

Regular Curbside Collection

Baldwin Borough contracts with Waste Management as the waste and recycling hauler for residents. Garbage will be collected once every week and recycling will be collected every other week according to the attached street listing and calendar. Place material at the curb after 6 p.m. on the prior day or before 6 a.m. on the scheduled collection day. Please reference the calendar for your recycling service week.

General Guidelines

- Garbage should be properly secured in containers or plastic bags, weighing 50 pounds or less. Place garbage at curbside, in one area, and do not exceed 15 bags/cans and 1 bulk item per week.
- Grass clippings and weeds should be in plastic bags.
- Furniture items, appliances, household goods and disassembled children's swing sets (cut to 4-foot length) will be accepted at curbside.
- Carpet should be rolled and tied in lengths not to exceed 48 inches so that one man can lift.

Recycling

Residents will receive curbside recycling collection every other week. Please reference the street listing to identify your service day. Residents must place their recycling in a cart or bin for collection. All items must be placed loose in the recycling cart or bin, no bagged material.

Please follow the new recycling guidelines.

BACK DOOR SERVICE IS AVAILABLE TO ALL RESIDENTS FOR A FEE OF: \$19.25 PER QTR. This is for those residents who are unable to get their trash to the curbside for pick up.

Residents should direct all questions and complaints regarding refuse and recycling collection to Waste Management at 800-866-4460 or online at www.wm.com. In the event of inclement weather, visit www.wm.com/alerts for service updates, delays and cancellations.
